Contract Signed by Farmers Employing Prisoners of War

Please read carefully the conditions under which Prisoners-of-War are employed:—

1. Farmers will be responsible for their safe custody. In the event of an escape or attempted escape, farmers will notify the Mounted Police, and the local office of the Department of Labour, by telephone, without delay.
2. Farmers will see that Prisoners-of-War do not leave the farm during the working day, and that prisoners are not worked on farms in another district. Prisoners must not work on Sundays, other than to do the daily chores.
3. Farmers will see that prisoners do not go to any village or town; enter no public buildings, such as churches, movie pictures, dance halls or beer parlors etc.
4. Farmers will see that Prisoners-of-War receive no money for any reason whatsoever.
5. Farmers will see that Prisoners receive no postage stamps, and that they send no letters, post cards, etc., except through the local office of the Department of Labour.
6. Farmers will see that prisoners do not fraternize with the general public.
7. Farmers are to care for the prisoners when sick or injured, just as they would do with hired men. If a prisoner is ill or requires dental care, he should be taken to the nearest doctor or dentist. Any prisoner making too many visits to a doctor or dentist should be returned to his camp.
8. Farmers must report any case of bad conduct.
9. Prisoners must not wear civilian clothes.
10. Farmers should not discuss the war situation with the prisoners.

The administrative authorities wish it to be known that failure to comply with any of these conditions will involve the withdrawal of the prisoner. Prisoners found in any unauthorized public buildings or meetings, gatherings, etc., will be returned to their Internment Camp. Prisoners should be frequently reminded of it.

Ordinary clothing for working will be supplied by the authorities. Farmers will be expected to supply any special working kit, such as boots and gloves (mitts in the winter) whenever necessary.

The rate of wages is \$45 per month payable in advance with full board and lodging. No payment should be made to the prisoner. All purchases for the prisoner should be made by the farmer; he should sign the credit voucher and see that the prisoner does the same. The amount of the purchase is to be deducted from the wage due the Department for the month. Any unauthorized purchases will not be paid for by the Department of Labour and the farmer will stand the loss.

This is the contract signed by the farmer when he took his prisoner. How many have kept it?

No Election This Fall
Monday, August 14th, the Federal Legislature concluded a busy session, to reassemble in January, unless something unexpected should call the members at an earlier date.

Prime Minister King announced an election this Fall is most unlikely.

CHANCELLOR

By Mrs. J. M. W.

A wedding of local interest was solemnized at the Court House, Calgary on August 9th, when Miss Katharine Bease Allen became the bride of Pte. Fred Scott of the R. A. S. C. of Red Deer. The bride wore a navy blue Reddingote with white accessories and a corsage of red roses. Rosa Allen gave the bride away and Lester Mann was best man. The bride had no attendant. After a reception at the Empress Grill the happy pair left for a honeymoon at Enderby, B. C., the home of the groom. They will make their home at Red Deer for the present.

Mr. and Mrs. G. Sproule and family have returned home from a holiday at Banff.

Mrs. Phil Rogers visited Mrs. J. M. Wheatley on Tuesday afternoon. We are very sorry to learn Bill Busch is sick with German measles.

Mrs. Lester Mann entertained at a pleasant afternoon tea on Thursday. The guests were Mrs. Perry Barker, Mrs. E. H. Young, Mrs. W. Leishman, Mrs. H. F. Fenske, Mrs. J. M. Wheatley and Miss Ruth Francis.

Mr. Chris Jorgensen's father is very sick in the Holy Cross Hospital and we wish him a speedy recovery. The dance on Thursday night was quite successful and a jolly crowd enjoyed the dance in the Memorial Hall as it was too damp to use the outside floor. Let's do it again.

Mrs. L. Herron left for a visit to her daughter Mrs. Seeger of Chinook.

A pretty wedding was solemnized at the Pentecostal Church, Drumheller on August 3rd, when Miss Mary Shilliam became the bride of Mrs. Rudy Wiedman. The bride wore a street-length dress of light blue with white accessories. After a brief honeymoon at the Shilliam Ranch the happy couple will make their home on a farm at Elnora.

Mr. and Mrs. F. E. Shilliam and Pat spent a week at Pine Lake.

The ball game on Sunday between Chancellor and Strathmore was rather one sided the score being 19 - 4 in favor of Chancellor. Many friends of the late Mr. David Nelson of Cluny were deeply grieved to learn of his untimely death last week and extend deepest sympathy to Mrs. Nelson and family.

Lt. Phil Rogers left on Saturday with his Hussar troop for camp at Sarcee.

BISHOP CARROLL WILL CONDUCT SERVICE OF CONFIRMATION

Sunday August 20th, His Excellency Most Rev. F. P. Carroll, Bishop of Calgary, will administer the Sacrament of Confirmation at Sacred Heart Church at 7.45 p.m.

Bishop Carroll will also administer the Sacrament of Confirmation at St. Phillips Church, Carceland at 3 p.m. Sunday, August 20th.

NAMAKA

By M. W.

Sgt. Butler and crew of five are taking down the fence at the firing range to be used at another field.

Mrs. Kirkby of Brantford, Ont. visited Messrs Gilson and Comroy Tuesday with whom her husband worked several years ago.

Mr. and Mrs. Fetroo made a brief call in Namaka Monday morning on their way to Calgary.

Pte. John Friesen returned to Currie Barracks after a week's furlough at home.

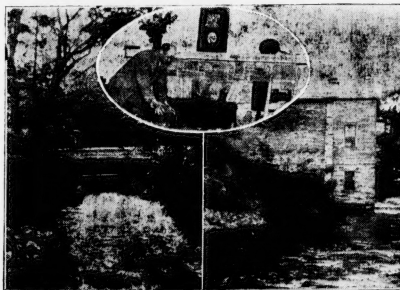

Marjorie Mackie is holidaying at the home of Mrs. Myrtle Hansen, near Carceland.

Ches Edwards of Majorville will arrive by plane Sunday having been hired by Pte. Peterson to help with the harvest.

Pte. Ike Fawkes of Lethbridge is home on leave.

Weather permitting, the "Lion" Church will hold an outdoor service at Beaver Dam Sunday, August 20th, at 12 o'clock noon followed by a social hour and picnic lunch. Everyone please bring baskets.

BY THE OLD MILL STREAM

The old mill at Chaffery's Lock, Ontario, not far from Leeds, has been a landmark of that pleasant valley of old Ontario for many years. It was built in 1870 by John Chaffey, of Massachusetts and farmers who formerly had to take their grain to Bedford Mills and Beverly (now Delta, Ont.) were saved a long drive. Since 1870 the mill has changed hands several times. In 1923 it fell idle and the millstones ground no more. Recently however, Arthur L. Phelps of Winnipeg, well-known to CBC listeners, passed that way in search of the "Canadian Pattern" which is his absorbing interest. The old mill, with its pleasant grounds and rippling mill race, fascinated him. He bought it. Today, he makes it his summer home, and the basecamp for his ceaseless sorties in quest of the "Canadian Pattern". He says it has some of the best bass fishing in Ontario. You simply open a trapdoor in the kitchen, once the grinding floor, drop a hook into the mill-race below, and whisk a fresh bass into the frying pan. Professor Phelps' "Canadian Pattern" series is heard over the CBC's Trans-Canada Network on Sundays at 5.30 p.m.

25th. WEDDING ANNIVERSARIES CELEBRATED

August 14th, was the 25th. wedding anniversary of the wedding of Mr. and Mrs. John Christensen and Mr. and Mrs. W. Hill. To celebrate the event about 200 people gathered in the Community Hall. Friends were present from Langdon, Dalemead, Strathmore and Calgary.

After a short period of dancing Mr. C. Park, on behalf of their many friends presented Mr. and Mrs. Christensen with a service of eight in king-size flatware and Mr. and Mrs. W. Hill with a four-piece tea and coffee service. The happy couples gave a few words of thanks.

After the grand march the guests were invited to the dining room which was gay with summer flowers and streamers, the bride's table being centred with two lovely wedding cakes. After a delicious lunch dancing continued. May they have many more years of happy married life.

Mrs. Cole and Norma Carey left last Thursday for Vancouver B. C. Mr. and Mrs. Jim Groves are being congratulated on the birth of a daughter.

Dora and Hazel Hill were at home last week while Mr. and Mrs. Hill spent a few days in Banff.

Rev. Seiber spent the weekend at Revelstoke, B. C.

THE 'OUT-SIDE'

JOE CITIZEN SAYS—

I see we're going to have a call to buy more Victory Bonds this fall. And I for one don't mean to wait till salesmen are at my gate before I count just what is what.

I haven't always cash on hand and even in easier days like these the dollar bills don't grow on trees. No, Sir! I'm figuring right now the bonds I aim to buy—and how. The lads will find me set to sign and save on both their time and mine. "If's", "and's" and "but's" should all be scrapped.

When war bond purchases are mapped The Man who can, but won't dig in this small way to help to win with palaver and debate just hasn't got his values straight.

● Of the authorized 23,000 washing machines, only 15,528 were manufactured up until June 30. If manufacturers complete their quotas in the extended time period they will have made 7,500 washing machines in three months.

● Hunters Get Ammunition—Nimrods may obtain small arms ammunition this season under revised regulations of the Wartime Prices and Trade Board which declares applicants may obtain permits for sporting purposes from any Local Ration Board between August 15 and September 30th.

● COUPON CALENDAR—Thursday, August 24th—

Butter coupons 74 and 75; Tea-coupon T-39.

Thursday, August 31st—

Sugar coupons 40 and 41; Preserves coupons 27 and 28. Expire Butter coupons 70, 71, 72 and 73.

● Poultry is an industry in general is considered as a side-line, but when the gross value for 1943 reached \$197 millions it takes a very important place.

● Organized Effort—

In a campaign against the warble fly, forty Claresholm farmers clubbed together to buy a power sprayer last spring. The fee was \$12.00 for each farmer who had fifty head of cattle or less, and for each additional fifty head another \$5.00. For the warble fly treatment each shareholder was charged 7 cents a head, and non-shareholders 10 cents. One man was hired to treat all the stock in the area and was paid 3 cents a head. The result of this co-operative endeavor was that nearly 9,000 cattle were treated against warble fly (many of them twice) and the Claresholm district has pretty well cleaned up that pest.

● A mechanical poultry plucking machine has been designed by an engineer employed by the Nova Scotia department of agriculture. One man operating this machine can easily pluck an average of a hundred birds an hour.

W. N. Watson, who was named over the national radio hook-up for President Roosevelt's address Saturday afternoon as the presidential aide during Mr. Roosevelt's Pacific tour, is a brother of R. N. W. Watson, Calgary.

Mr. Watson was "really surprised" when he heard the radio announcer name his brother as one of President Roosevelt's aides.

Formerly a teacher at Ardenode, and later assistant principal and principal at Strathmore and Granum

schools, W. N. Watson was educated in Calgary. He came there from Eastern Canada with his family nearly 30 years ago.

He won his M. A. in agriculture at the University of Alberta, and four years ago left to take a two-year course at Harvard University, Cambridge, and Columbia University in New York for his Ph.D.

After graduating Mr. Watson took a position as economist with the British War Purchasing Commission in New York and later taught economics at the Utah State College in Logan, Utah.

His brother at Calgary recently learned he was secretary in the Board

of Supplies in the U. S. government's lend lease department.

The following is a letter from Dick Jensen from Somewhere in France to his wife at Nightingale.

Somewhere in France

July 31st, 1944.

My Dear Mary and Billy:

Received your very welcome letter dated June 13th, yesterday, but am sorry to say I did not receive your previous ones.

We have been over here a little better than two weeks now. No doubt you are surprised but no more so than we were. We hardly had any notice and first thing we knew we were in France. I am in the best of health at present. You would probably be interested in how we live etc. Our home at present is a tent, but most of the boys around here are sleeping in foxholes. We may have to dig in but personally I prefer the surface. So far we have been lucky, not much flak or shelling so that is the main thing. The meals are good under the circumstances, not what we have been used to, but good just the same.

We are not on a picnic over here as you well can imagine. Not that I have to do any fighting but we have to put up with conditions as a field unit just the same and take chances like the rest of the boys.

Received some cigarettes from the Strathmore Legion, the Lodge and Lila Morgan which came in very handy.

Ever so glad to learn that you and Billy are well, and I do hope that this terrible war may soon be over. It may not be long now. I was very close to the lines yesterday and its certainly not a pretty sight to see. I shall try to get some souvenirs for Billy. You will see me as soon as this war is over.

So long for now. Hoping you get this letter in the best of health. God Bless you both.

Love, Dick.

"I guess it's up to me!"

Now that I can go I'm not going to stick around and let the other fellows do it.

Bill and Jack went over last week, and Fred's been over there a year. Now it's my chance.

It's going to take months of training before I can get fighting-fit, so I'd better get moving today.

Yes sir! I'm going now, to tell Dad and Mom that I'm on my way to sign up.

THE SWIMMING POOL PROJECT

A SWIMMING POOL in Strathmore is an urgent necessity from many angles—

- (a.) Hygienically.
- (b.) Affording children an opportunity to learn to swim, which in future years may save their own lives

and that of others.

(c.) As a muscle developer, swimming being one of the best methods of physical development.

(d.) A healthful pastime, affording many hours of content and pleasure for varying ages.

The Lions Club should be congratulated warmly and generously supported in this worthy humanitarian effort

to provide a well constructed and properly supervised Swimming Pool.

It will take a considerable sum of money. Do not feel you have done your bit when you have bought 1 ticket. Buy a book and then sell another. It is an excellent cause.

Boost for it and help pay for it.

CLUNY

—By A. E. C.—

We very much regret to announce the death of one of Cluny's prominent farmers, Mr. David Nelson, aged 61, who died in Bassano Hospital on Aug. 9th. Mr. Nelson came to the Cluny district in 1914 and as well as being a leading farmer, interested himself in political and Municipal affairs, having been the Liberal candidate in the Provincial Election in 1935. He has served as Councillor on the Blackfoot M. D. No. 218 for many years. He leaves to mourn his loss his wife,

Erna and two sons David and Allan to whom the entire community extends sympathy. The funeral took place in Calgary on Saturday at the Union Cemetery with Jacques Funeral Home in charge. Rev Leslie Pearson officiated.

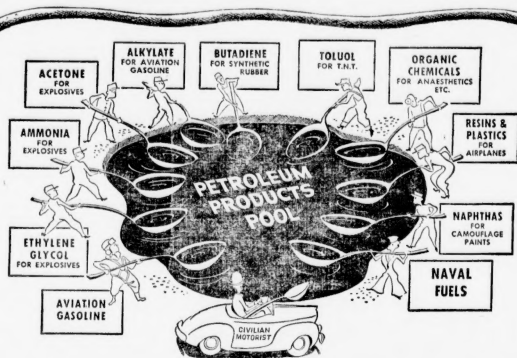

Cluny Community was plunged into sadness on Monday morning when it learned of the death in Bassano Hospital on Monday, August 14th, at 1:00 a.m. of Lorna Jones, beloved second daughter of Mrs. Walter James, after an illness of just over three weeks. Lorna was 11 years and 11 months of age, born in Cluny and had spent all of her brief years in our district.

She was well liked by her schoolmates and everyone who knew her. She leaves to mourn her loss her Mother and two sisters Audrey and Elsie, her stepfather Walter James and a host of relatives and friends. In times of trouble there seems so little we can do to help those who are bereft, but the whole community extends its love and sympathy. Interment was in Calgary on Wednesday afternoon at 3:30. Leyden Funeral Home was in charge.

"This is my war suit."

"War suit?"

"Yes, Grandfather wore it. Father wore it, and I wore it."

It Doesn't Leave a Lot for the Civilian

WHEN war demands have been filled... when invasion gasoline, aviation gasoline, Navy fuel oil, petroleum for the manufacture of explosives, synthetic rubber, and gasoline for war industry, farming and essential trucking all have been taken from Canada's oil supply—it doesn't leave a lot for the civilian!

Figure it out for yourself. It takes 5,250,000 gallons of gasoline to fuel 5,000 bombers and fighters for a mission over Germany. It takes enough oil for one fueling of a battleship to heat an average house for 350 years. It takes 18,000 gallons of gasoline to keep one armoured division on the move for one hour.

From petroleum and petroleum gases we obtain the gasoline and fuels needed to power planes and ships and tanks as well as the raw material for acetone, ammonia and toluol for explosives, organic chemicals for anaesthetics, naphthas for camouflage paints and plastics and resins for war weapons production.

This is why civilian gasoline is short. This is why it's up to every motorist, to every owner of an oil-heated home,

to exercise the strictest economy in gasoline or fuel oil usage. Every gallon we can do without here at home is one gallon more for the fighting men. And they need every gallon they can get.

Two full years of gasoline rationing and fuel oil control in Canada have saved 393,000,000 gallons of gasoline and 175 million gallons of fuel oil—a total saving of 568,000,000 gallons of petroleum products. Yet, despite this saving, gasoline stocks on hand in Canada, as of March 31st, this year, were 55,000,000 gallons less than at the commencement of rationing, April 1, 1942.

Oil has a mighty war job to do—yet supplies are short and are constantly dwindling. Oil powers the attack on every front. Oil can mean the difference between success or failure, between light casualty lists and heavy. Oil is vital ammunition—not to be wasted, not to be needlessly, frivolously spent.

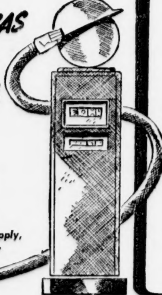

Answering Your Questions about the Gasoline Shortage

What are Canada's total yearly requirements of motor gasoline?... Approximately 800,000,000 gallons. Do these requirements have to cover both military and civilian needs?... Yes. Why cannot this supply be increased?... Because total hemispheric supplies are inadequate to meet both the colossal war demand and civilian needs. There is not enough oil, there are not enough tankers, for both. How much of Canada's petroleum needs is supplied from Canadian wells?... Only 15%. Why can't this home production be increased?... Every effort is being made to do so. More new wells are being drilled or prepared for drilling, than at any time in the history of Western Canada, but we have yet to find a new Turner Valley. War does not wait for new production.

POT POURRI

Efficiency without goodness of heart makes forgers, counterfeiters swindlers and tyrants. Under the prevailing manner of education which permits extreme specialization, a man may become an expert worker in any dozen fields and be a barbarian, his years of instruction having brought him none of the graces, which, together, make up the good life.

Recently, thinking men in the United States, Canada and Great Britain have been asking questions about the schools and colleges and about human life as well. Too many people seem to have no moral standards, no clear knowledge of right and wrong. They go to school to learn how to make a living, not how to make a life. Since the strength of a nation lies in preponderance of wise citizens over unwise, the importance of education is clear. If we have been making people cunning rather than wise clearly we have been wrong.

Since Western civilization is the product of the Greek view of life enriched by Jewish prophecy and poetry and by the perfectionism of Nazareth it surely seems unreasonable for teachers and professors to ignore all three, and especially Christianity.

MEMORIAL FOR JOHN W. DAFOE

THE work and influence exercised throughout Canada by the late John W. Dafeo, an outstanding Journalist, many years Editor of the Winnipeg Free Press, placed him in the forefront of worthy Canadians.

He was broad-minded and possessed a keen insight in progressive and political matters generally. He labored arduously and brilliantly for a close international understanding and co-operation.

To further carry on this important issue, members of the Board of Governors of the University of Manitoba and other friends are planning to carry on this work by a Foundation Memorial in the University.

Contributions to this Fund large or small will be very gratefully received by the Dafeo Memorial Foundation, 1008 Electric Railway Chambers, Winnipeg and official receipts will be sent all contributors.

The sum of \$200,000 is being solicited more than \$80,000 already being subscribed.

Help continue this work by Foundation this Dafeo Memorial.

NIGHTINGALE

— By Mrs. F. M. —

The Women's Institute held their regular meeting at the home of Mrs. Wm. Joel last Friday. The roll call was "Your Favorite Recipe" and quite a lengthy discussion on cookery was the result. The Secretary gave a report of a very pleasant social afternoon enjoyed by members of this W. I. when they were entertained at Bertha-Vale School by the Bertha-Vale Serviceberry Institute. A well organized program was carried through and a delicious tea was served. Mrs. Art Kinmett reported for the dance committee and it is hoped to have a dance at the hall as soon as some of the work is over. Mrs. Don Duggan read a very interesting report of the Strathmore conference. Milly Harriman reported on her week at Olds and showed the ladies a picture of the group. The handkerchief sale scheduled for the day was postponed. There will be a canning demonstration at the hall next Tuesday and the Serviceberry Institute are co-operating.

Last Friday evening a large jolly crowd gathered at the hall to do honor to Mr. and Mrs. Reg Thurston who were married last Jan. Mrs.

Thurston, formerly Doris Putnam, has only recently received her release from the R. C. A. P. and has come home to stay. Music for dancing was furnished by Messrs. Jimmy and Payne. During the supper hour a large table was filled with gifts. A beautiful bouquet of garden flowers brought by Mrs. Slonaker made a lovely centre piece. Walter Mercer made the presentation address and ex-

pressed the good wishes of all for a long and happy life. Reg and Doris each made an appropriate speech expressing their thanks for the lovely gifts and good wishes. "For They are Jolly Good Fellows" was lustily sung followed by three cheers and the tiger. Dancing lasted to an early hour with everyone having had a good time in welcoming to their new home this popular young couple.
